"Recycling for all the right reasons"

27 September, 2017

Today we were informed that BAGGED RECYCLE MATERIAL will no longer be acceptable at the Recycle Facility. This means ALL recycle material will have to be placed in a recycle container in order for us to pick it up. This policy is already in place, so we need to inform residents immediately.

Thank you for your help and co-operation in this matter.

Should you have any questions please feel free to contact our office at 484-326-9774 at your convenience. And as always we appreciate the opportunity to work with you to provide your Municipal Waste and Recycle services.

Sincerely
